RE: Chesapeake Bay Preservation Area (CBPA) User Survey

Please find below a user survey for the City's Chesapeake Bay Preservation Area (CBPA) Ordinance. When the amended CBPA ordinance was adopted last year, City Council asked City staff to report back to them about how the new ordinance worked after the first year. Specifically, Council asked that staff survey members of the Tidewater Builders Association (TBA) as well as the Chesapeake Division of the Hampton Roads Chamber of Commerce.

The survey will be distributed to members of TBA, the Chamber, CBPA Review Committee members, and the Chesapeake Wetlands/CBPA Board. The purpose of the survey is to solicit observations and suggestions on the implementation of the revised CBPA regulations. The results of the survey will be included in a report on the program to City Council in March 2005.

Please mail or email any completed surveys by February 18, 2005, to the following:
